CAPELLA

GRAND BALLROOM

*A symphony of elegance and splendour,
beautifully yours.*

The circular ballroom makes a striking impression with its soaring glass-dome skylight, bathing the space in natural light.

At its heart floats a breathtaking glass sculpture by Nikolas Weinstein. Crafted from 10,000 glass tubes, this custom-designed installation captures and reflects light in mesmerising patterns, perfectly complementing the ballroom's open design and resplendent architectural form.
